HOW TO USE

Thank you for purchasing from Boho Blossom Studio!
To ensure you achieve the best results with your printable products, please follow these detailed instructions.

Paper Weight:

For optimal results, we recommend using paper that is at least 200 GSM. This provides durability and a professional finish for your printables.

Paper Sizes:

Most of our printables are designed for standard paper sizes:US Letter (8.5" x 11")A4 (210mm x 297mm)
Ensure your printer settings match the paper size of the printable you are using.

Color Settings:

Inkjet Printers: Set your printer to the highest quality print setting.Use photo paper settings if available for the best color accuracy. Ensure the color profile is set to match your printer's capabilities (e.g., sRGB).
Laser Printers: Set your printer to the highest quality print setting.Use heavyweight or cardstock settings if available.
Ensure the color profile is set to match your printer's capabilities.

Printing Tips:

Always perform a test print on regular paper to ensure the colors and layout are correct before using your high-quality paper.
Paper Alignment: Make sure the paper is properly aligned in the printer tray to avoid any misprints or jams.
Color Calibration: Regularly calibrate your printer to maintain color accuracy.
